Deputy Director for Operations  
Deputy Director for Science and Technology

FROM: William F. Donnelly  
Inspector General

SUBJECT: Inspection of CIA's Counternarcotics Program

25X1 1. This is to inform you that members of my staff will be examining CIA's counternarcotics program during the coming inspection cycle. The inspection team leader, [redacted] will be contacting you soon to schedule a meeting with the team. In addition to giving them an overview of those activities your directorate is engaged in as part of the Agency's counternarcotics effort, the team will be interested in hearing your personal views on the wider question of what should CIA's proper role be as part of the US Government's counternarcotics effort.

25X1 2. We look forward to exploring this subject at some length during the next four months with those of your personnel who work on counternarcotics-related matters.
